

NATURALLY GOOD CHEESE

08/15/2024

BE Statement

Dear Valued Customer:

Thank you for your inquiry as to the Bioengineered (BE) status of our products. Pacific Cheese relies on the statements of our manufacturers and ingredient suppliers in determining the BE status of our products.

The following product contains bioengineered materials as defined by the National Bioengineered Food Disclosure Standards (NBFDS), codified in 7 CFR Part 66 as it contains corn starch.

Item No.	Description
96981	4/5# Five Cheese Blend

Regards,
